

### SOFTAIL DASH ADAPTER

SF-CV-41

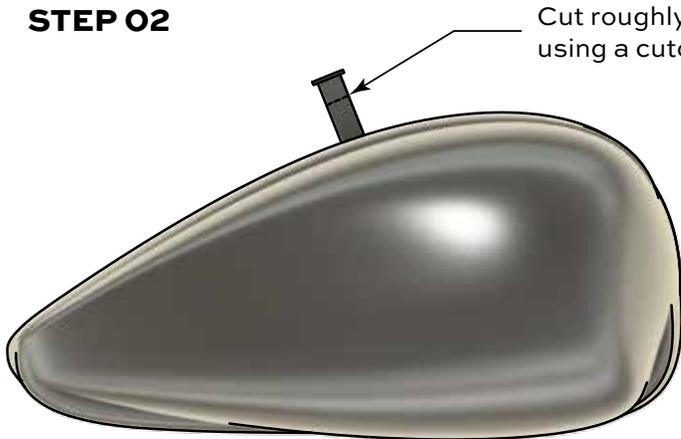

Fitment: 2018-2020 LOWRIDER S WITH DUAL GAUGE TANK STRAP  
2018+ SOFTTAILS WITH DUAL GAUGE TANK STRAP

#### STEP 01

The upper portion of original gauge bucket mounts must be shortened.

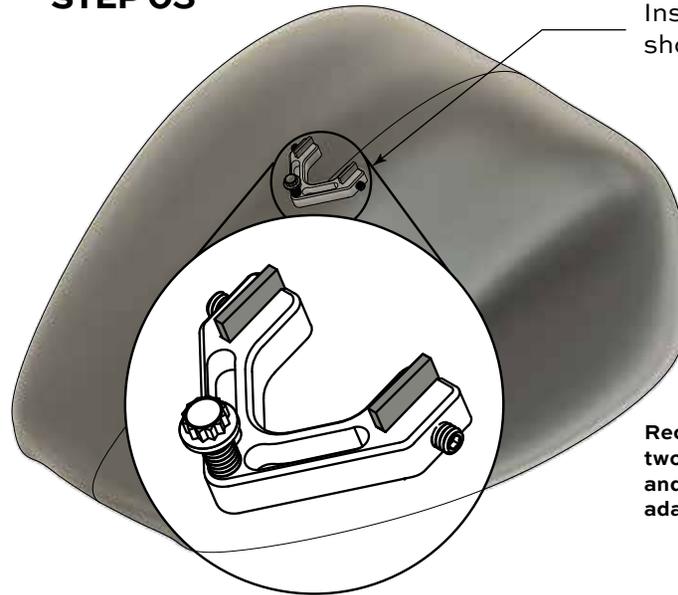

#### STEP 02

Cut roughly 1" above tank using a cutoff wheel.

**Recommended:** Place thick non-flammable material over tank before cutting off tabs.

#### STEP 03

Install adapter along shortened metal tabs.

**Recommended:** Initially leave two outside set screws loose, and install new dash to align adaptor in best possible position.
